CAP Member Newsletter

Congratulations 5 Star CAP Scholars!

Laura Jean Hund

Elizabeth Smith

Each year, Mutual Savings gives scholarships to CAP members and their families. The scholarships are awarded based on scholarship, leadership and citizenship, and financial need. To be eligible, the student must be a high school senior, a child or grandchild of a CAP member, and the student must be nominated by a CAP member.

This year's recipients are Laura Jean Hund and Elizabeth Smith.

Laura graduated from Pleasant Ridge High School and plans to attend the University of Saint Mary this fall. She will major in elementary education. Laura appreciates the positive impact her teachers had on her life, and she would like to do the same thing for another young person. Laura was nominated for the scholarship by her grandmother, Helen Schwartz.

Elizabeth graduated from Tonganoxie High School and plans to attend Pratt Community College. She will study secondary education and plans to teach high school math. Elizabeth was nominated for the scholarship by her grandmother, Kathy Smith of Tonganoxie.

Congratulations and good luck to Laura and Elizabeth!
